

# PUBLIC LEDGER

WEEKLY REPUBLICAN—1867.  
DAILY PUBLIC LEDGER—1892.

MAYSVILLE, KY., TUESDAY, MARCH 1, 1904.

ONE COPY—ONE CENT.

## THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—  
"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

## POSITIVELY

Copy for "changes" in advertisements MUST be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Some persons in the county have begun gardening.

After being cut down 16 feet the amphitheater at the erstwhile Fairgrounds will be moved 60 feet North today to give room for the manufacture of brick on the South side. The immense structure will be moved as a whole, all at one time.

General John B. Gordon, the great soldier and orator, was an Elder in the Presbyterian Church of Kirkwood, Georgia, yet small minds and souls mock at religion and assume that it is worthy the consideration of old women and children only.

The remains of Mrs. Lucy Gurney arrived yesterday from Dayton and were conveyed direct to the Cemetery for interment. They were met by Mr. and Mrs. J. B. Noyes, Major and Miss Essie Hutchins, Revs. M. A. Banker and Charles F. Evans and Mr. I. M. Lane.

Judge William M. Beckner of Winchester, a lawyer and politician of state reputation, is attending Circuit Court. The Judge has many friends here, being at one time a resident of this city. He is here in the schoolbook case of Wells vs. American Book Company.

Call again, Charley; there is always a welcome for the likes of ye.

We are offering some special bargains in Sterling Silver Knives, Forks, Spoons, Sugar Spoons, Butter Knives, Icecream Spoons and Forks, Salad and Oyster Forks, etc. Special attention given to watch, jewelry and clock repairing. M. J. DONOVAN, Chief of Police.

Henry Pyles and his tenant, W. Frazier, sold some 10,000 pounds tobacco to Thomas L. Best at 9 cents round.

MRS. JOHN MANION.

The Sardis community was shocked yesterday morning by the sudden death of Mrs. John Manion.

She had been a sufferer from asthma for a number of years and grew worse about a week ago, but was not thought to be dangerously ill until 10:30 o'clock, when she breathed her last, surrounded by her family and friends.

Mrs. Manion was born in County Galway, Ireland, and came to this country when quite young and resided in Mason county most of the time, where she enjoyed the esteem of all who knew her.

She is survived by three children, her husband having died about four years ago.

The funeral will take place from the Mayslick Catholic Church tomorrow morning at 10 o'clock with services by Father DeBruyn.

Burial at Washington.

## Board of Education

The Board met in regular session last evening, Vice-President Thomas Y. Nesbitt in the Chair.

In addition to the salary list, claims were allowed to the amount of \$72.83, of which \$5.72 was for the colored school.

Treasurer Cochran reported \$945.55 as the receipts for February.

The Treasurer also reported \$236.25 collected from outside tuition since September 1st, 1903.

Hereafter, accounts rendered by merchants and others for supplies or work must specify whether the account is against the white or the colored fund.

The Finance Committee reported that Treasurer Cochran's accounts were correct in every particular.

On motion of Mr. Davis, the matter of electing a Superintendent of Public Schools was set for consideration and action on the next regular meeting night.

Mr. Davis also urged that for the coming term Drawing be eliminated from the curriculum of the High School, and that Bookkeeping be substituted.

Mr. Russell was in favor of a new High School Building, and of a competent person to examine the graduates of that school.

## A WOMAN'S COMPLEXION.

It is rank foolishness to attempt to remove sallowness or greyness of the skin by the use of cosmetics, or "local" treatment, as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of dyspepsia and indigestion. New trial size bottle, 25c; regular size, 75c. At Henry W. Ray's Drugstore.

Governor Beckham Saturday signed the bill increasing the salary of the State Librarian from \$1,000 to \$1,200 annually, and also extending the term from two to four years. Miss Pauline Hardin will be re-elected to the position shortly.

With the adjournment of the Legislature a vigorous campaign for the control of the organization of the next Democratic State Convention and the party machinery will be inaugurated. The alignment, as evidenced now, is "Administration" and "anti-Administration," and delegates will be chosen accordingly. Hon. James N. Kehoe will be the candidate for State Chairman of the latter side.

## The Name Witch Hazel.

The name Witch Hazel is much abused. E. C. DeWitt & Co., Chicago, are the inventors of the original and only genuine Witch Hazel Salve, a certain cure for Cuts, Burns, Bruises, Eczema, Tetter, Piles, etc. There are many counterfeits of this salve, some of which are dangerous, while they are all worthless. In buying Witch Hazel Salve see that the name E. C. DeWitt & Co., Chicago, is on the box and a cure is certain. Sold by J. Jas. Wood & Son, Druggists.

Sheriff Ed. Callahan of Breathitt county Saturday gave bond at Cynthiana to answer to the indictment charging him with subornation of perjury. A Jury was secured in the case of Jasper King, who is to be tried on the charge of perjury.

John E. Shepard, son of the Rev. E. L. Shepard, former Pastor of the M. E. Church, this city, but now of Ludlow, has been admitted to the practice of law in Newport. Mr. Shepard is 22 years of age and has been a student in the office of Ernst, Cassett & McDougall of Cincinnati.

## ELECTION OF OFFICERS.

The Limestone Building Association has elected the following officers for the ensuing year—

President—W. B. Mathews.  
Vice-President—Thomas J. Chenoweth.  
Secretary—H. C. Sharp.  
Treasurer—J. W. Fitzgerald.  
Attorney—C. D. Newell.  
Directors—W. B. Mathews, Thomas J. Chenoweth, I. M. Lane, F. Devine, Dr. J. A. Reed, Dr. A. N. Ellis, S. A. Shanklin, T. Y. Nesbitt, T. A. Keith, L. M. Mills and J. W. Fitzgerald.

The C. and O. has just completed a forty-foot addition to its freight depot at Morehead.

Mr. Claude Tolle, who for the past few years has been located at Buffalo as Manager of one of Knox's Stores, has been promoted to the same position at St. Louis, the largest and most responsible at the disposal of the Company. This certainly shows appreciation of the services of Mr. Tolle, who has rapidly been promoted since entering the employ of the Knox people. Although the youngest of the Managers, his transfer to St. Louis places him in control of the largest of their branch stores.

## THE LITTLE HOMESTEAD.

The blind infatuation which turns a wife from her fireside beside her loving husband to go forth to misery and abuse with an unscrupulous scoundrel, brings about all the sorrow and happiness in the magnetic story told by "The Little Homestead," which will be the attraction at the Opera-house on Wednesday, March 2d. Throughout "The Little Homestead" is of intense interest and appeals to the finer sensibilities. The play is from the pen of W. B. Patton, author of "The Minister's Son." Seats selling now at Ray's.

## Happy, Healthy Children.

Any child can take Little Early Risers with perfect safety. They are harmless, never gripe or sicken, and yet they are so certain in results that robust constitutions requiring drastic means are never disappointed. They cannot fail to perform their mission, and every one who uses DeWitt's Little Early Risers prefer them to all other pills. They cure biliousness. Sold by J. Jas. Wood & Son, Druggists.

The Rev. John W. McGarvey, President of the Bible College, Lexington, today observes his seventy-fifth birthday.

## Well Again.

The many friends of John Blount will be pleased to learn that he has entirely recovered from his attack of rheumatism. Chamberlain's Pain Balm cured him after the best doctors in the town (Mon. Ind.) had failed to give relief. The prompt relief from pain which this liniment affords is alone worth many times its cost. For sale by J. Jas. Wood & Son.

Never before in the history of our business have we been so successful in reducing, in fact almost closing out our winter clothing. Our past four weeks reduced price sales left us the smallest kind of margin of profits. To close out the last Suit and Overcoat we have left, these profits—and losses on top of them—will be sacrificed in a sale beginning Wednesday morning, February 24th, and ending March 5th, that will be an epoch in Maysville's clothing business. **Nothing in This Sale is Reserved Except Our New Spring Cravenette Coats.** All of our Stein-Bloch, L. Adler Bros and Garson, Meyer & Co.'s Suits and Overcoats are included in these slaughter offerings. **Read the Reductions:** All of our \$8.50 and \$10 Suits and Overcoats go at \$6.50; all of our \$12, \$15 and \$16.50 Suits and Overcoats go at \$10; all of our \$18.50, \$20 and \$22.50 Suits and Overcoats go at \$15. **All of These Rochester Made.** To give the youngsters the greatest bargains we ever offered, one-third of the price of our Children's and Boy's Suits and Overcoats will be taken off during the sale. Spot cash will be the only terms. Money returned if displeased with your purchase. Don't miss this sale. D. HECHINGER & CO., the Home Store.

Use Ray's Edelweiss Cream for chapped hands and rough skin.

Cartmell extracts teeth without pain.

The more we sell, the cheaper we can sell. We have sold to date more than we had sold by April of last year. See our stock of monuments before buying.  
MURRAY & THOMAS.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

A FEW days ago two of the country's biggest corporations bumped into each other at Lexington. A C. and O. train smashed a Standard Oil wagon. Now, what will the harvest be?

SENATOR SCOTT of West Virginia will take up the fight against Doctor Wood's confirmation as Major General where the late Senator HANNA left off. Mr. HANNA left in Senator SCOTT's hands a large number of affidavits which will be presented, and which will rumple the feathers of the Medical Major General the wrong way.

THE Harrison County Grand Jury at Cynthiana returned a true bill of indictment against Judge B. F. FRENCH of Winchester and Ed. CALLAHAN, Sheriff of Breathitt county, charging them with subornation of perjury in compelling and requesting A. C. ADAMS to perjure himself at the Jett trial last summer in behalf of CURTIS JETT. It is unfortunate that TOM CAMPBELL can never be reached by a Kentucky Grand Jury, else, some day, when reason and justice are re-enthroned in this partisan-ridden Commonwealth, he would be called upon to answer a similar charge in the Caleb Powers trials at Georgetown.

GOOD MORNING; have you seen the sunshine?

POSTMASTER H. B. BRYSON of Carlisle, through The Cynthiana Log Cabin, nominates Hon. SAMUEL J. PUGH of Vanceburg for Congress at next fall's election.

BOB PERRY—genial, jolly BOB, he of The Winchester Sun-Sentinel,—has had the Grip with a big G; and here's how he felt—

"I have been in the grip of the grip since last Saturday. If anything is wrong with this page lay it to the grip. No one is responsible for what he does when the grip has him. I lay in bed as long as I can, and then sit up as long as I can. I have not had a doctor, because when I was well enough to send for one I was afraid he would tell me that I was going to die, and when at the worst I didn't care if I did die.

"I think my stomach has been reversed. It don't want to take anything, but insists on emitting things with such horrid tastes that I know I never swallowed anything like them, and in quantities out of all proportion to what I have eaten or drunk. The only way I know of to describe this grip is to say that I am sick all over, both inside and outside, from the top of my head to the soles of my feet. I have had every degree of temperature to be found between the polar regions and the tropics. I came near freezing in a warm room and near burning up in a cold room. In my mind I have crossed rivers on floating ice, been pushed into furnaces and from high precipices. Nothing bad ever happened to anyone but what has happened to me in the last four days—in my mind. About fourteen thousand people think they have the grip to one that really has it. Before this I was foolish enough to think that I had experienced several attacks. It was all a mistake. Nothing but a bad cold. I was inclined to poke fun at my friends who made so much noise about a little case of grip, but it's all over with me now. I beg their pardon. From now on anyone, regardless of color or previous condition of servitude, who has experienced a genuine case of grip, and is living to tell about it, will have my sympathy."

## Political Pickings

HERE'S HOPIN' IT WILL!

Louisville Times.

The Storekeepers and Gaugers are reported as having orders to see to it that William O. Bradley will not attend the Republican National Convention as one of the Delegates from the State-at-Large for Kentucky. The "old man eloquent" rightly holds a warm place in the esteem and affection of the masses of the Republican party in this state, whose battles he has been fighting and leading for a quarter of a century, and despite the organized opposition of the officeholders the chances are that when the returns are all in the name of Bradley will head the Kentucky delegation to Chicago.

## Think of Your Teeth!

Don't wait until a dental bill reminds you of neglect. A clean tooth might wear out; it cannot decay. Many who look after their teeth constantly fail in the selection of a proper brush. A brush to cleanse perfectly must have genuine bristles, just stiff enough, long enough and so trimmed as to reach every nook and cranny. We pride ourselves on our line of tooth brushes. They are honest, practical ones. We look out for the little points that mean much in tooth saving. We don't recommend the cheaper brushes, but for 25c we can furnish the kind that will endure and that will do what they should while they last. Our 35c and 50c brushes we guarantee to give satisfaction or money back.

The Russians are mystified by the Admiral's movements and suspect that they are intended to cover the landing of troops in other localities. ### READ IT THROUGH.

'Twould Spoil This Story to Tell It in the Headlines.

To use an eighteenth century phrase, this is an "over true tale." Having happened in a small Virginia town in the winter of 1902, it is a story very much of the present. Up to a short time ago Mrs. John E. Harmon of Melfa Station, Va., had no personal knowledge of the rare curative properties of Chamberlain's Cough Remedy. "Last January," she says, "my baby took a dreadful cold and at one time I feared she would have pneumonia but one of my neighbors told me how this remedy had cured her little boy and I began giving it to my baby at once and it soon cured her. I heartily thank the manufacturers of Chamberlain's Cough Remedy for placing so great a cure within my reach. I cannot recommend it too highly or say too much in its favor. I hope all who read this will try it and be convinced as I was." For sale by J. Jas. Wood & Son.

Thomas Marvel, farmer, near Cynthiana, Ind., on the boundary line between Gibson and Posey counties, has been nominated for County Commissioner in both counties by the Prohibitionists. He is endeavoring to learn in which county he will have the better chance of being elected before he accepts one of the nominations.

Miners and operators, ready for the final struggle over the wage question, met in Indianapolis yesterday. Almost 800 miners were present and about half as many operators. Upon their deliberations depend whether or not 145,000 soft coal miners in Ohio, Indiana, Illinois and Pennsylvania will lay down pick and shovel on April 1st.

The case of Miss Frankie Orser, of Boston, Mass., is interesting to all women.

"DEAR MRS. PINKHAM:—I suffered misery for several years. My back ached and I had bearing-down pains, and frequent headaches. I would often wake from a restless sleep in such pain and misery that it would be hours before I could close my eyes again. I dreaded the long nights and weary days. I could do no work. I consulted different physicians hoping to get relief, but, finding that their medicines did not cure me, I tried Lydia E. Pinkham's Vegetable Compound, as it was highly recommended to me. I am glad that I did so, for I soon found that it was the medicine for my case. Very soon I was rid of every ache and pain and restored to perfect health. I feel splendid, have a fine appetite, and have gained in weight a lot."—Miss FRANKIE ORSER, 14 Warrenton St., Boston, Mass.—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

Surely you cannot wish to remain weak, sick and discouraged, and exhausted with each day's work. Some derangement of the feminine organs is responsible for this exhaustion, following any kind of work or effort. Lydia E. Pinkham's Vegetable Compound will help you just as it has thousands of other women.

## Colds Cause Pneumonia.

One of the most remarkable cases of a cold, deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Penner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 148 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health, and strength. Sold by J. Jas. Wood & Son, Drug Gists."

BRAIN LEAKS.

LUXURY—Indulgence, or gratification of taste or sense without benefit other than that of possession.

NECESSITY—Indispensable; requisite to contentment; an object necessary to well being.

INVESTMENT—The purchase of an article from which an income is derived.

PLEASURE—Gratification; enjoyment.

TO WHICH CLASS DO PIANOS BELONG?

Most certainly not to the first class, for there is much benefit in a piano other than that of mere possession.

THEREFORE, PIANOS ARE NOT A LUXURY.

At first glance it would not seem that they belonged to the second class, either; yet a piano is "A REQUISITE TO CONTENTMENT." A piano is also "AN OBJECT NECESSARY TO WELL BEING." Yes, on second thought we believe that Webster would say that a piano was a necessity, especially to a well ordered household.

PIANOS ARE SURELY A GOOD INVESTMENT.

The child derives a musical education that provides a sure, steady income, no matter what adversity overtakes it.

PIANOS ARE CERTAINLY A PLEASURE.

A piano affords untold enjoyment, and the gratification of knowing that you have secured your loved ones against adversity is certainly worth some effort.

The NECESSITY of providing for adverse circumstances demands the PLEASURE of an INVESTMENT in a piano. See our samples at

The best machine on the market. The tub is made of white cedar, and being airtight, prevents the steam from escaping, thus greatly aiding in washing.
